

ATTIC HATCH

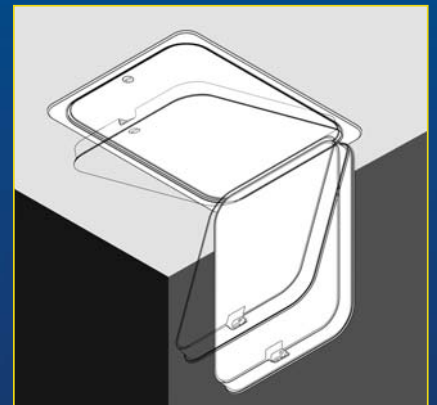

No More Storage Problems! Easy access to your loft

This easy to install and operate Attic Hatch provides an insulated air-tight entry into your loft. It also enables the existing entry to be repositioned to a more convenient area of your home if desired. Installed in minutes with a trim size of 735mm x 575mm. (29" x 22⁵/₈"). It is finished in an attractive pearl white stipple finish. The color of the hatch blends with most neutral ceiling finishes.

- Attractive Polypropylene, insulated, air-tight hatch.
- Cost effective and functional.
- Unobtrusive and paintable.
- Attic hatch clear opening: 690mm x 540mm (27 1/4" x 21 1/4").

Simple Operation

Turn hatch lock 90 degrees anti-clockwise. Gently lower lid to the vertical position (See photo 2, below). To return, reverse the procedure.
